

Privacy statement Wesma Systems B.V.

What personal information is collected

On the website of Wesma Systems B.V. www.wesma.nl no cookies are used, so Wesma Systems B.V. has no cookie policy. No programs like Google Analytics are used and no personal information is collected. Visitors of the website are not monitored and no IP-addresses are collected and stored.

The only personal information that is collected are first and last name, the e-mail address and phone number of the person, who themselves or on behalf of a company or institution, Wesma Systems B.V. asks, by the contactform on the website or otherwise by phone, mail or e-mail, for business information.

Using your personal information

The name, the e-mail address and the phone number are used by Wesma System B.V. to provide the applicant with the requested business information. If the information leads to a business transaction the mentioned personal information is stored in a automated customer relations database. Only authorized officials at Wesma Systems B.V. have access to that database.

Since Wesma Systems B.V. is only into B2B business, all the other information collected and stored in the customer relations database is business information and no personal information.

Sharing personal information

Wesma Systems B.V. will share the personal information only with third parties if the information is required for the execution of a business transaction or in case there is a legal obligation.

How long is the information stored

The personal information will be stored as long as the concerning person is connected to the concerning company or organization with whom Wesma Systems B.V. has a business relation.

If the exchange of business information does not lead to a business transaction or when the business relation ends, the personal information will be removed after a period of one year.

The storage of personal information

Wesma Systems B.V. will take full technical and organisational precautions to prevent the loss, misuse or alteration of personal information.

All the personal information will be stored on our own secure (physically, password and firewall) server. Also the individual personal computers are equipped with entrance control and security software.

Your rights

A concerning person has the right to see, correct or delete his own personal information. A request to do so can be send to info@wesma.nl . Wesma Systems B.V. will react on the request as soon as possible, but within four weeks.
